

THE **MAN** HONG KONG INTERNATIONAL  
Literary Festival 2006

## Become a **Friend of the Festival!**

Now in its sixth year, **The Man Hong Kong International Literary Festival** brings together celebrated authors from around the world each March. The focus on *English literature with Asian roots* makes the Festival unique in the Inter-national literary calendar, affirming Hong Kong's role as the cultural and creative hub of Asia.

The Festival is a not-for-profit organisation, funded by corporate and local sponsorship, international arts bodies, ticket sales and donations. As a **Friend of the Festival** your contribution will help us to showcase world class authors, encourage literacy, debate and celebrate writing ... and it also allows *you* to play a part in supporting literature and the arts in Hong Kong.
